

Student Account Notifications

Updated 3 months ago

Notifications, represented by a bell icon in the top right of the workspace, alert a user to various events in their account, such as activities that are now open for submission or a submission that needs to be assessed or if a submission has been assessed.

To access and use notifications:

- Click on the **bell** icon to view notifications.
- Click on a notification to view details.
- Click on an 'x' icon to remove that specific notification.
- Click the **Clear All** button to delete all notifications from the list.
