Uploading and Editing Files in Watermark

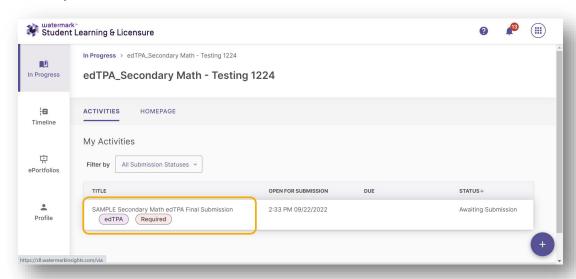

1. Log in to Watermark.

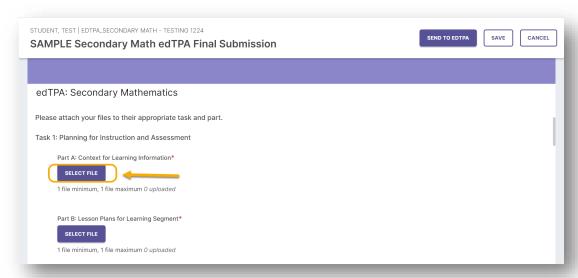

2. Under "In Progress," select the edTPA link (with your content area.)

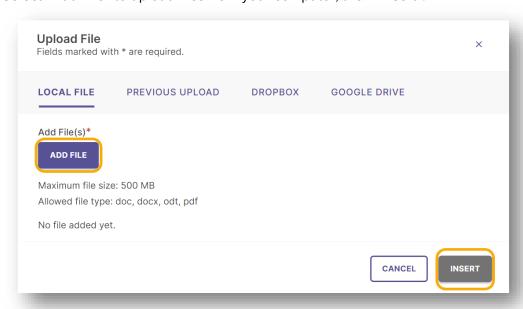

3. Under "My Activities," select the edTPA Final Submission link.

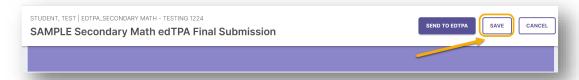

4. Under each Task/Part, choose "Select File."

5. Select "Add File" to upload files from your computer, then "Insert".

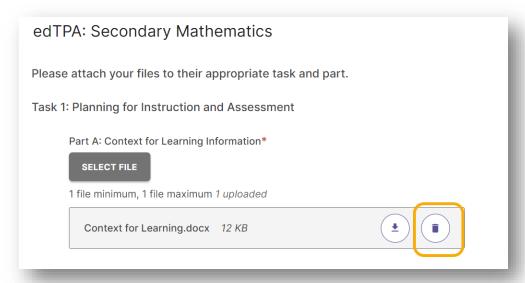

6. Select "Save" every time you make a change.

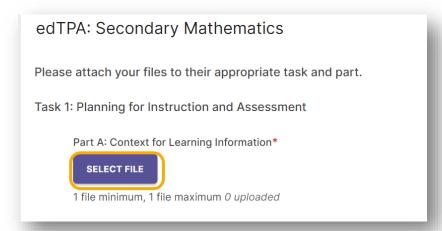

Editing Files

1. Select the trash can icon to remove any incorrect files.

2. Choose "Select File" to upload the correct file.

3. Select Save every time you make a change.
