Defining Characteristics for Collaboration

Chapter Summary

1. Students will be assigned a chapter to summarize. They will prepare a summary that may take several formats. Some sample formats can be found at <http://padlet.com/mpasko/v0vv4v7n8j3f>
2. A handout should be provided, which summarizes the chapter highlights. This may be uploaded as an electronic copy.

Rubric

	Exemplary	Accomplished	Developing	Does not meet expectations
Presentation is engaging and reflects solid understanding of the information presented in the chapter	5	4-3	2-1	0
Written work reflects high standard of grammar and mechanics	5	4-3	1	0
